SUBJECT AND TITLE INDEX

Teaching and Learning in Medicine Volume 20, 2008

Admissions

Developing an On-Line Pre-Matriculation Orientation Program and Its Relation to Student Performance in the First Class Taken in Medical School (Stoddard & Others) **2008, 20:302-307.**

Ambulatory care education

Disagreement Between Students and Preceptors Regarding the Value of Teaching Behaviors for Ambulatory Care Settings (Kernan & Others) **2008, 20:**143–150.

Assessment, residents

Exploring Individual Opinions of Potential Evaluators in a 360-degree Assessment: Four Distinct Viewpoints of a Competent Resident (Thammasitboon & Others) **2008, 20:314-322.**

Career choice and career patterns

Development of a Mission-Based Funding Model for Undergraduate Medical Education: Incorporation of Quality (Stagnaro-Green & Others) **2008, 20:**168–173.

Career Guidance and the Web: Bridging the Gap Between AAMC Careers in Medical Website and Local Career Guidance Program (Patel & Others) **2008, 20.**

Medical Student Acquisition of Clinical Working Knowledge (Williams & Others) **2008, 20:**5–10.

Clinical education

Verbal Interaction Analysis: Viewing Feedback through a Different Lens (Blatt & Others) **2008, 20.**

Medical Student Acquisition of Clinical Working Knowledge (Williams & Others) **2008, 20:**5–10.

What It's Really Like: The Complex Role of Medical Students in End-of-Life Care (Fernandes & Others) **2008, 20:**69–72.

Computers in medical education

Developing an On-Line Pre-Matriculation Orientation Program and Its Relation to Student Performance in the First Class Taken in Medical School (Stoddard & Others) **2008, 20:302-307.**

Just In Time: Technology to Disseminate Curriculum and Manage Educational Requirements with Mobile Technology (Ferenchick & Others) **2008, 20:**44–52.

In-*House* Medical Education: Redefining Tele-Education (Lim & Others) **2008, 20:**193–195.

Randomized Comparison Between Traditional and Traditional Plus Interactive Web-Based Methods for Teaching Seizure Disorders (Ochoa & Others) **2008, 20:**114–117.

Career Guidance and the Web: Bridging the Gap Between AAMC Careers in Medical Website and Local Career Guidance Program (Patel & Others) **2008, 20:230-234.**

Curriculum design and evaluation

Problem-based Learning: A Coherent Educational System in Medical, Dental, and Veterinary Sciences (Engel) **2008, 20.**

Principles and Practice of aPBL, by Howard S. Barrows, MD and Wee Keng Neo, Lynda, PhD (Distlehorst) **2008, 20:**196.

Evaluation, methods

Does Student Promotions Committee (SPC) Appearance Predict Below Average Performance During Internship? A 7 Year Study (Durning & Others) **2008, 20:267-272.**

Do Different Pairings of Teaching Styles and Learning Styles Make a Difference: Preceptor and Resident Perceptions (Vaughn & Others) **2008, 20:239-247.**

Scores from Riding's Cognitive Styles Analysis have Poor Test-Retest Reliability (Cook) **2008, 20.**

A Randomized Controlled Study Comparing Educational Outcomes of Examination Rooms versus Conference Rooms Staffing (Petersen & Others) **2008, 20.**

Simpler Standards for Location Performance Exams: The Yes/No Angoff And Whole Test Ebel (Yudkowsky & Others) **2008, 20:212-217.**

Faculty attitudes & values

Evaluation, Grading and Use of the RIME Vocabulary on Internal Medicine Clerkships: Results of a National Survey and Comparison to Other Clinical Clerkships (Hemmer & Others) **2008, 20:**118–126.

Faculty development

Mid-Career Research Training for the Generalist Physician: Case Study of a Balancing Act (Brand & Others) **2008, 20:**180–185.

Department Experience in Promoting Oral and Poster Presentations (Desbiens) **2008, 20:254-260.**

Family medicine–Family practice

Abstracts from the Proceedings of the 2007 Annual Predoctoral Meeting of the Society for Teachers of Family Medicine (STFM) (Chumley & Others) **2008, 20:**84–91.

Abstracts from the Proceedings of the 2008 Annual Predoctoral Education Conference of the Society of Teachers of Family Medicine (STFM) (Little & Others) **2008, 20:346-351.**

Graduate medical education

Chief Residents as Educators: An Effective Method of Resident Development (Moser & Others) **2008, 20.**

The Effect of Monthly Resident Reflection on Achieving Rotation Goals (Toy & Others) **2008, 20.**

A Review of Portfolio Use in Residency Programs and Considerations before Implementation (Colbert & Others) **2008, 20:340-345.**

Professionalism in Residency Training: Is There a Generation Gap? (Borrero & Others) **2008, 20:** 11–17.

Residents' Perspective on the Impact of the 80-Hour Workweek Policy (Woods & Others) **2008, 20:**131–135.

Do Different Pairings of Teaching Styles and Learning Styles Make a Difference: Preceptor and Resident Perceptions (Vaughn & Others) **2008, 20:239-247.**

A Randomized Controlled Study Comparing Educational Outcomes of Examination Rooms versus Conference Rooms Staffing (Petersen & Others) **2008, 20.**

Internal medicine

An Internal Medicine Interest Group Research Program Can Improve Scholarly Productivity of Medical Students and Foster Mentoring Relationships with Internists (Dorrance & Others) **2008, 20:**163–167.

Training and Assessment of CXR/Basic Radiology Interpretation Skills: Results from the 2005 CDIM Survey (O'Brien & Others) **2008, 20:**157–162.

The Subintership Curriculum in Internal Medicine: A National Survey of Clerkship Directors (Aiyer & Others) **2008, 20:**151–156.

Medical education, broad issues

Innovations Without Appropriate Assessment are of Limited Usefulness (Barrows) **2008, 20:287.**

Medical Subintership: Student Experience on a Resident Uncovered Hospitalist Service (O'Leary & Others) **2008, 20:**18–21.

Should Forensic Autopsies be a Source for Medical Education? A Preliminary Study (Kucuker & Others) **2008, 20:**22–25.

Impact of Student Reflective e-Portfolio on Medical Student Advisors (Bashook & Others) **2008, 20:** 26–30.

Developing Disaster Preparedness Competence: An Experiential Learning Exercise for Multiprofessional Education (Silenas & Others) **2008, 20:**62–68.

A Review of Medical School Programs that Train Medical Students as Teachers (MED-SATS) (Pasquinelli & Others) **2008, 20:**73–81.

A Role for this Country's Medical Schools in Improving Provided Minority Health Care (Gartland & Others) **2008, 20:**82–83.

The Integrative Care Conference: An Innovative Model for Teaching at the Heart of Communication in Medicine (Bayona & Others) **2008, 20:**174–179.

Development of a Mission-Based Funding Model for Undergraduate Medical Education: Incorporation of Quality (Stagnaro-Green & Others) **2008, 20:**168–173.

Knowledge and Use of Academic Portfolios Among Primary Care Departments in US Medical Schools (Zobairi & Others) **2008, 20:**127–130.

The Reputation of Medical Education Research: Quasi-Experimentation and Unresolved Threats to Validity (Colliver & Others) **2008, 20:**101–103.

Gender and Academic Medicine: A Good Pipeline of Women Graduates is not Advancing (Puljak & Others) **2008, 20:273-278.**

Do Fears of Malpractice Litigation Influence Teaching Behaviors? (Reed & Others) **2008, 20:205-211.**

Medical education, international

An Acculturization Curriculum: Orienting International Medical Graduates to an Internal Medicine Residency Program (Porter & Others) **2008, 20:**37–43.

Developing a Rural Workforce through Medical Education: Lessons from Down Under (Eley & Others) **2008, 20:**53–61.

Clinical Location and Student Learning: Outcomes from the LCAP Program in Queensland, Australia (Young & Others) **2008, 20:261-266.**

Medical students' attitudes and values

Reading Habits and Attitude towards Medical Humanities of Basic Science Students in A Medical College in Western Nepal (Shankar & Others) **2008, 20.**

Professional Boundaries: The Voice of the Third Year Medical Student in Negotiating Three Boundary Challenges (Gaufberg & Others) **2008, 20:334-339.**

Changes in Medical Students' Emotional Intelligence: An Exploratory Study (Stratton & Others) **2008, 20:279-284.**

A Curricular Intervention in Lesbian, Gay, Bisexual, and Transgender Health: Knowledge and Attitudes Outcomes among Second Year Medical Students (Kelley & Others) **2008, 20:248-253.**

Medical students' problems or disabilities

Who Gets "Kicked Out" of the Exam Room? Factors Associated with Patients Declining Medical Student Participation (Tang & Others) **2008, 20.**

Obstetrics/gynecology

Teaching Internal Medicine Residents to Care for Reproductive-age and Pregnant Women: An Effective Web-Based Curriculum (Spagnoletti & Others) **2008, 20:**186–192.

Resident Performance on the In-Training and Board Examinations in Obstetrics and Gynecology: Implications for the ACGME Outcomes Project (Withiam-Leitch & Others) **2008, 20:**136–142.

Psychiatry

Proceedings of the 2007 Annual Meeting of the Association of Directors of Medical Student Education in Psychiatry (ADMESEP) (Roman) **2008, 20:**197–200.

Research methodology

Innovations Without Appropriate Assessment are of Limited Usefulness (Barrows) **2008, 20:287.**

Exploring Individual Opinions of Potential Evaluators in a 360-degree Assessment: Four Distinct Viewpoints of a Competent Resident (Thammasitboon & Others) **2008, 20:314-322.**

How Much Do Differences in Medical Schools Influence Student Performance? A Longitudinal study Employing Hierarchal Linear Modeling (Hecker & Others) **2008, 20:**104–113.

The Reputation of Medical Education Research: Quasi-Experimentation and Unresolved Threats to Validity (Colliver & Others) **2008, 20:**101–103.

Standardized patients

Evaluation of the Congruence Between Students' Postencounter Notes and Standardized Patients' Checklists in a Clinical Skills Examination (Worzala & Others) **2008, 20:**31–36.

Simpler Standards for Location Performance Exams: The Yes/No Angoff And Whole Test Ebel (Yudkowsky & Others) **2008, 20:212-217.**

Teaching skills

Chief Residents as Educators: An Effective Method of Resident Development (Moser & Others) **2008, 20:**

Do Fears of Malpractice Litigation Influence Teaching Behaviors? (Reed & Others) **2008, 20:323-328.**

Debate Preparation/Participation: An Active, Effective Learning Tool (Koklanaris & Others) **2008, 20:235-238.**

Surgery

Abstracts from the Proceedings of the 2007 Annual Meeting of the Association for Surgical Education (Schenarts) **2008,** 92–97.

Abstracts from the Proceedings of the 2008 Annual Meeting of the Association for Surgical Education (ASE) (Schenarts) **2008, 20:352-356.**
